

COVID-19

New University positions added for testing purposes

Wellness Ambassadors

People who administer COVID tests

Day in the life of a COVID-19 worker, talk to them about their experiences or about any wacky encounters

Jobs/people affected + students

RAs

People who used to work at the bars

Marching Illini

Students in residence halls

Ask if they were an RA before, how does it compare to now?

What kinds of precautions are being taken in the residence halls?

What was it like? were they comfortable with working? Are you supposed to be talking to us?

Are they still practicing?

Will they be performing in the spring?

What are the precautions being taken?

What has the eating been like

Have you been able to make friends in the residence halls?

Local restaurants/businesses struggling

Highlight a local business each week, chat with owners, interview them about their experiences

What have things been like for your business

What ways have you had to adapt?

What if we did a "Best restaurants in CU" bracket to encourage local eating?

Has to be local

What are things like for music majors? especially vocalists or people who play wind instruments

Interview a vocalist

Could interview someone who plays + studies a wind instrument

Kind of like for restaurants, we could do a featured musician of the week + interview them

What are online music classes like?

Are there still bands/choirs right now?
